

Chapter 84: Vocational, General Administration (Career and Technical Education)

Rule 84.16 State Plan for Career and Technical Education. The State Board of Education shall develop, in consultation with the Advisory Council or Planning Committee, a state plan for career and technical education which provides for an assessment of current and projected needs for career and technical education, program budgets reflecting annual and long-range fiscal requirements, career education staff development activities, and regulations and procedures for the administration of career and technical education.

Before approving the state plan, the State Board shall conduct public hearings which have been preceded by proper public notification. The State Board shall, when necessary, amend the State Plan in consultation with the Advisory Council or Planning Committee.
